Re: *Stocking v. Newmark Knight Frank Valuation & Advisory, LLC*

Case No. 1:22-cv-07347

Dear Judge Ramos:

This afternoon, upon reviewing the docket, I noticed that Document 197 did not contain the referenced exhibits. Believing I had inadvertently filed my original Motion to Reconsider without attaching Exhibits A, B, and C, I promptly refiled a corrected Motion to Reconsider with the exhibits included in an effort to meet today's fourteen-day deadline.

Upon further review, I realized that Document 195 is, in fact, the originally filed Motion to Reconsider that does include the exhibits, not Document 197.

Accordingly, I respectfully retract any Motions to Reconsider that I refiled on April 28, 2025.

Thank you for your attention to this matter.

Respectfully submitted,

/s/ Maria Stocking
